

RACQUET

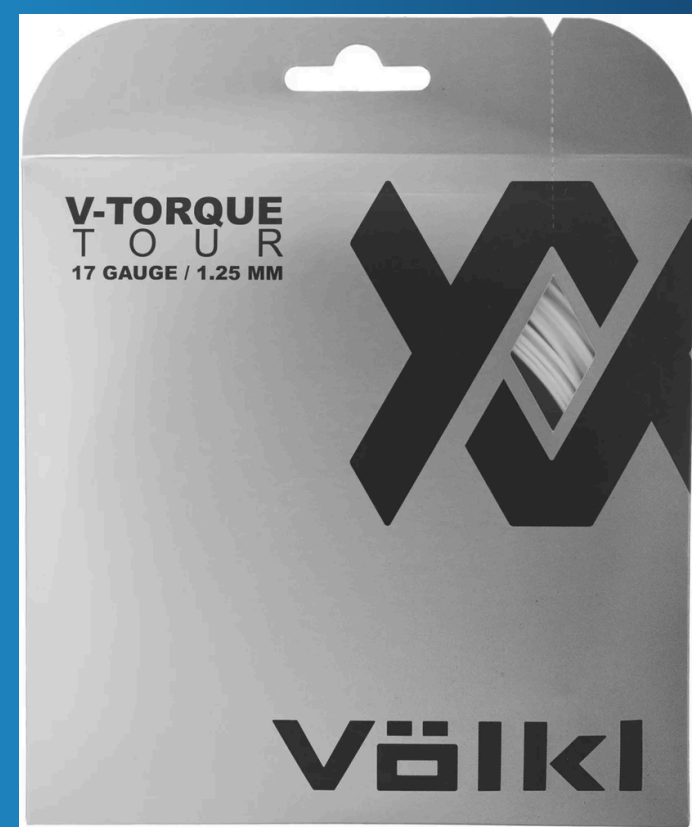

RE- STRINGING

REVOLUTION

\$40

Solinco Revolution is a dark blue polyester string. It gets maximum power, control and durability. It has 6 sides.

V-Torque Tour

\$40

Volkl V-Torque Tour is a polyester string with 6 twisted sides, enabling huge spin potential. It offers maximum ball bite, feel, and control.

CYCLONE

\$40

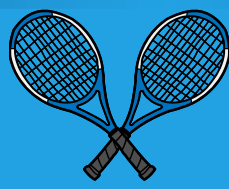

Volkl Cyclone is a bright orange polyester string. It is Luke's #1 pick for heavy topspin. It really grips the ball and tears the felt off the ball. It has 10 sides.

Alu Power Rough

\$45

This textured Polyester string delivers exceptional spin and control. It is durable and ideal for advanced players seeking precision and performance.

**Don't Let Bad Strings Hold You
Back, Get Your Racquet
Restrung Today!**

LYNX TOUR

\$40

Head Lynx Tour is a polyester string available in black or grey. It is Luke's top choice for balanced mix of control & spin. It has 6 sides.

HYPER G

\$40

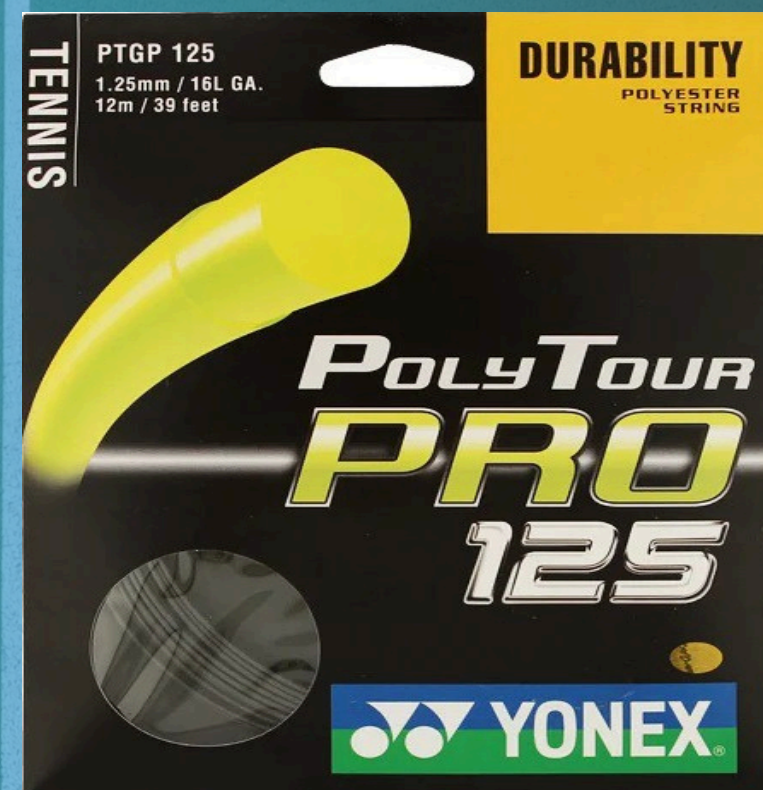

Hyper-G 1.20 is a square shaped green coloured string. It has a very soft muted feel and thanks to its 4 edges it gets lots of spin on the ball.

RPM BLAST

\$40

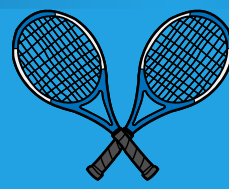

RPM Blast is an 8 sided polyester string that will give you the MOST spin & control. However, this control is short-lived. It has a stiffer feel but is used by many professional tennis players .

POLY TOUR PRO

\$40

Poly Tour Pro 1.25 is a round-shaped polyester string. Its softer feel provides greater comfort and durability. It is great for player who like to hit flat.

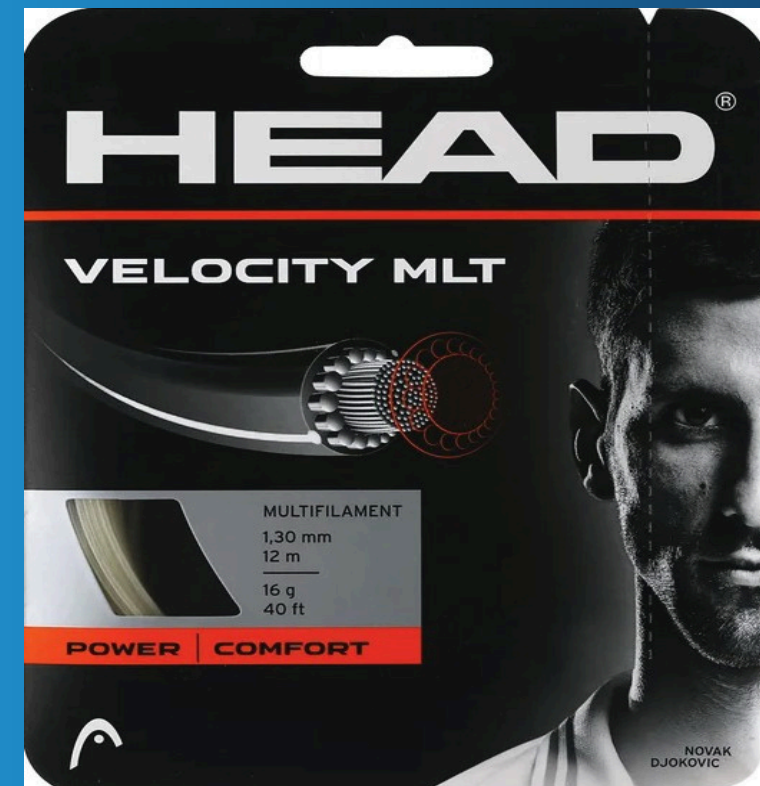

**You should Restring as many times
per year as you play per week.
Eg 3 times per week = 3 times per year**

**Natural Gut &
Alu Power Rough**

\$85

The Ultimate hybrid string setup. With Natural gut + Alu power rough. Used by Federer, djokovic, Murray and more. Its the gold standard for comfort and playability.

VELOCITY MLT

\$40

Head Velocity MLT is a popular multifilament string for juniors who want comfort, spin, and power or for seniors who wish to avoid polyester due to injury.

X-ONE BIPHASE

\$45

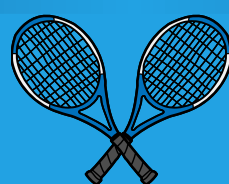

X-One Biphase is the ultimate choice for comfort and shock absorption. Perfect for adults and juniors looking to avoid tennis elbow injuries. It is very powerful but has less spin. Plays very similar to natural gut

SYNETHTIC GUT

\$40

Prince Synthetic Gut with Duraflex is very comfortable and gets medium spin. Perfect for juniors or seniors looking to avoid polyester. Its been one of the most popular strings of all time.

Tennis Accessories

Over Grip

\$5

Overgrips are available in a variety of colours. To avoid blisters, keep your overgrip fresh and protect your replacement grip.

Replacement Grip

\$15

The Wilson replacement grip has a premium, sticky feel.

*Grips include free installation

Dampener

\$6

We stock a variety of dampener brands to pick from. It will help reduce vibration and change the sound pitch.

Dunlop AO Can

\$13

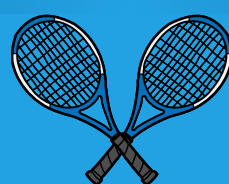

4 ball can of Dunlop AO extra duty tennis balls.

Dunlop AO Box

\$189

4 balls x 18 cans box of Dunlop AO extra duty tennis balls.
Total of 72 balls.
